WORK EXPERIENCE

RADICAL MEDIA (NYC, NY)2019 – present
Senior Content Producer – Editor – Archive

Radical Media is a fully integrated global media and communications company that produces content for film, television, and digital platforms, as well as immersive experience and events. Projects include:

PBS American Portrait – Senior Content Producer-Editor

PBS's National Storytelling Initiative gathering user-generated content across the country and through 300 PBS member stations to create documentary specials airing in 2020, a docuseries in 2021, weekly feature collections and features on PBS's Social Media Platforms. My duties included strategy, creating content management systems, editorial calendars, workflows for submissions and post- production, creating various partnerships with the project, and recruiting diversity talent for commissioned stories

Bloomberg 2020 documentary short – Archival Producer-Assistant Editing

Directed by Susan Lacy

Target's Design for All - Archival Producer

Celebrating Target's 20th anniversary working with acclaimed designers, archival research, licensing, and clearance for a YouTube series of documentary shorts and a feature documentary titled, *Design for All* now airing on Hulu

STORY ILLUMINATION (NYC, NY).....2003 – present
